EXPERIENCE

Dana-Farber Cancer Institute | Boston, MA

Jul. 2026 - Present

Financial Analyst

- Reconciled multiple sponsored research awards ranging from ~\$500K–\$8M across PeopleSoft, Workday, and InfoEd to validate budgets, expenditures, and authorized funding.
- Built Excel reconciliation models using XLOOKUP, INDEX-MATCH, PivotTables, and Power Query to analyze award budgets and indirect costs.
- Investigated financial variances and exceptions by tracing account, formula, system-conversion, and funding-agreement discrepancies.
- Analyzed research portfolios across administrators, investigators, projects, and funding sources to support workload and resource allocation decisions.
- Developed Power BI dashboards visualizing research funding, portfolio ownership, and departmental funding distributions for leadership.

Bentley University Strategy & Innovation Division | Waltham, MA

May. 2026 - Sep.2026

Graduate Ambassador for Strategy & Innovation

- Developed executive proposals and client-ready presentations for customized Executive Education engagements.
- Conducted market research and competitive benchmarking to support program strategy and business development.
- Coordinated cross-functional initiatives involving marketing, operations, procurement, and client stakeholders.

Fastenal | Plattsburgh, NY

Jan. 2025 - May 2025

Supply Chain Associate Intern

- Monitored inventory for 100+ SKUs across two manufacturing plants, identifying shortages, overstock, and usage trends
- Analyzed \$40K–\$50K in monthly inventory data to identify demand patterns and support operational decision-making and cost optimization
- Partnered with plant managers to adjust supply timelines based on trend analysis, improving turnaround time by 15%

Center for Cybersecurity and Technology (CCT) | Plattsburgh, NY

Aug. 2024 - May 2025

Cybersecurity Intern

- Analyzed 231,000+ network activity records to identify trends, usage patterns, and anomalies, transforming raw log data into structured datasets for pattern analysis and quality validation
- Created visual reports (timelines, IP and port activity charts) to summarize trends for internal review and documentation
- Translated technical findings into structured reports to support decision-making and internal documentation

LEADERSHIP & EXTRACURRICULAR

Treasurer, Graduate Student Association | Bentley University | Sep. 2026 – Present — Manage and reconcile an approximately \$300,000 budget, approve organizational funding, prepare financial reports, and support financial compliance.

Treasurer, Alpha Sigma Phi Fraternity | SUNY Plattsburgh | Apr. 2023 – Dec. 2024 — Managed and reconciled an \$18,000 annual budget, produced monthly financial reports, corrected recurring discrepancies, and improved chapter financial stability.

President, Gamma Sigma Alpha National Greek Honor Society | SUNY Plattsburgh | Apr. 2023 – May 2024 — Led a 15–20-member academic honor society, overseeing operations, faculty communication, and compliance.
